## HIGHLIGHTS

Both the city of Ensenada and the State of Baja have signed all the documents permitting us to move forward with our project for San Francisco Zarco Park!

PHASE 1 is to renovate the bathrooms and the lighting for the main soccer field used by 52 teams. We are working with Delegado Austroberto to start the community assessment and a local architect to design plans and get approvals.

We now need to move into high gear to raise the \$75,000 for PHASE 1. Butch Barclay is contacting the Tony Hawks Foundation, which provides grants to help build skate parks to kickstart the fundraising efforts.

## COMMUNITY FOCUS:

Lead by Bajamar Rotarian Denise Studer, several members joined with La Mision Rotary to re-paint the La Mision Food Bank. The Food Bank is part of the La Mison Children's Fund, which regularly provides food staples to 500+ local families, helps support rural children and offers scholarships to help children succeed and improve their lives.
